

# KKart II

The KKart II mobile cart transports air cylinders to a remote location and delivers breathable air to a maximum of six workers wearing airline respirators. The ergonomic, 4 wheel design makes KKart II easy to handle even over rugged terrain. Using two K or T size cylinders, the KKart II is rated to 5000 psi or less.

The KKart II features:

- One 300' hose reel or two 150' hose reels
- Optional attached storage bin
- Large easy-to-read gauges
- Four quick disconnect sockets on the panel mounted manifold
- In-line check valve for cylinder change without interrupting operations
- Hand tight CGA fitting for tool-free cylinder changes
- Fully adjustable dual gauge regulator

## Technical Data
