

SPECIFICATIONS

Product Description: **HARD HAT HOOD, SUPPLIED AIR**
 Part Number: **9909-HD**
 Style: **DOUBLE BIB, TYVEK**

GENERAL DESCRIPTION:

The design of our unique low pressure disposable double bib hood offers even greater protection for workers by allowing extra space for a hard hat. Lightweight, rugged and reinforced down tube with swivel connection gives added flexibility. The split air channel design delivers air inside the hood around the temple area. The double bib style means increased protection, simply tuck the inner layer into the protective clothing.

HOOD:

- Poly-coated DuPont Tyvek®,
- Splash resistant hood and bib
- Seams surged to seal in the air flow.
- Generous size is ideal for workers with beards or goggles

LENS:

- Clear co polyester (PETG)
- 15 mil, Panoramic view
- Distortion-free, 6 ½" x 12 ½"

LENS PEEL OFFS: (P/N: 9910-25) (optional)

- Polyester, clear film with adhesive backing
- 5.25" X 11.25" (0.007 in. thick)

HARD HAT:

- Made of high quality wear resistant materials
- Meets ANSI Z89.1, Class E and G Requirements

DOWN TUBE:

- Located in the back of the hood allows it to be out of the way.
- Corrugated flexible and lightweight material for greater comfort and less fatigue.
- OBAC quick-connect plug with wide diameter and minimal air restriction.
- Vinyl / Plastic material with Nylon Webbing

BELT ASSEMBLY:

- Low profile nylon adjustable waist belt.
- Plastic clip to restrain airline hose from pulling on the facepiece.

AVAILABLE: (Optional)

- 9909-RD (Disposable Double Bib Hard Hat Hood with Ratchet)
- 9909-SD (Disposable Double Bib Hard Hat Hood with Suspension)

NIOSH APPROVAL: (Use only Allegro approved airline hose.)
